ANTIOCH, ILLINOIS, THURSDAY, OCTOBER 28, 1926.

No. 9

## New Banking Home to Open Saturday

First National Bank of Antioch  
Completes New Building.

Another epoch will be added to the history of Antioch on Saturday, October 30, with the formal opening of the modern and beautiful home of the First National Bank of Antioch.

The new edifice is an achievement that not only the men who were affiliated in its erection can be proud of, but the entire citizenry of Antioch and its environs can look with just and pardonable pride upon this stately and architecturally beautiful building of stone, for it is indeed an acquisition that any town can well be proud of, for few, if any, towns the size of Antioch can boast of its equal.

It is merely another patent evidence of "Progressive Antioch."

### Location Is Point of Vantage.

The location for a structure of this type can not be surpassed. Situated on the southwest corner of Main and Lake streets, and due to the fact that Main street projects at this point lends the new First National Bank building an unusual point of vantage, for as one approaches the business section from the south, west or north, the new First National Bank office building is the first to greet the eye in all its beauty.

The construction is of the finest, both Lake and Main street elevations being entirely of Bedford stone, the interior of concrete and fire-proof construction. The entrance doors are of bronze, and the bronze tablets with the name "First National Bank" add materially to the attractiveness of the entrance.

### Interior Is Beautiful.

Upon entering the bank one is immediately impressed with the dignity, beauty and harmonious effects of the marble and bronze banking fixtures. The floors are of faint pink marble with borders of black Belgian marble and the banking fixtures are of a beautiful gray marble with etched glass enclosures and statuary bronze.

The lighting fixtures are of bronze and are in perfect harmony with the banking fixtures. Facing the entrance door is the cashier's desk, and directly to the rear is the president's office, finished and furnished in keeping with the general decorative scheme.

To the west are located the ladies' room, gentlemen's room, entrance to the safety deposit box vault, coupon room and in the extreme southwest corner is located the machine room.

As one glances toward the west of the lobby the eye is taken by a beautiful arched staircase of marble, leading to the mezzanine floor, which extends over the entire length of the building on the south side, opening on the main banking room with casement windows. This is the directors' room.

All furniture and wood trim, where marble is not used, is of American walnut.

### Last Word In Vaults

In the main banking room are two vaults. The safety deposit vault is equipped with a ten-inch York vault door, the best procurable, which is protected by the McClintock sound wave system, the latest and best known to science and referred to as "the ears of the vault," as the slightest touch after the door is closed and alarm set, will cause an alarm. The second vault is to be used for books and records.

In the basement are located two more vaults for future use. They are similar in construction to the vaults in the main banking room. Also in the basement is the heating system, which is of steam and vapor and the fuel used is a No-Kol oil burner.

The second floor of the building consists of seven beautiful offices, corridor and two wash rooms. The floors of corridors, washrooms and stairway are of terrazzo marble. The office floors are of reinforced concrete with battleship linoleum covering. Woodwork is of American walnut finish.

The finest of plumbing fixtures

## New Home of The First National Bank

have been installed with every convenience for the doctor or dentist. The window frames throughout the entire building are of nickel silver, absolutely weather and rust proof and requires no painting or treatment.

### Local Contractors Represented.

Antioch has been well represented in the construction of this beautiful building. Chas. N. Lux Co., installed all electrical and conduit work; plumbing and heating by none other than H. P. Lowry; hardware by Williams Bros.; lumber by H. R. Adams & Co., and the beautiful work of interior decorating by Alfred B. Wiemer and Hans Hofer. W. A. Oppenheimer, architect and engineer, of the firm of Oppenheimer & Abel, Green Bay, Wis., was the architect. A. J. Bearegard, West DePere, Wis., was the general contractor. All have just reason to be proud of their part in the work.

Residents of this community should not fail to inspect the new banking rooms on Saturday, October 30, from 9 a. m. to 9 p. m.

### FORMER ANTIOCH GIRL TO BE HEARD OVER RADIO

Antioch friends of Miss Valleta Hanneman will have opportunity of hearing the young pianist over the radio from station W. H. T., Wrigley building, Chicago, on Thursday evening at 6:30 o'clock and in a second recital at 8:00 p. m. Miss Hanneman will be heard from this station twice weekly for the coming year, according to announcement received here by friends.

Miss Hanneman's friends are very glad to hear of her achievements in the musical world, as she is said to be gaining recognition from the finest musicians in the city. She deserves the success that has attended her untiring efforts.

### CANDY STORE TO BE OPEN SOON

Nixon's Fanny May candy store will soon be ready for opening in The Bogan building on Main street. Much progress has been made during the past week, the new booths are in and the painting and decorating is now in progress, and a new all Vitrolite Knight soda fountain is being installed. The fountain is of the finest made and is cooled by the Frigidaire system. Beautiful new signs have been erected both for the Cash & Carry grocery and the candy store.

### MANY HUNTERS IN THIS LOCALITY

Village Clerk Harry A. Isaacs reports that he has sold over five hundred hunting license so far this year. This is far in excess of the number usually sold by one officer, in a town of this size, but Antioch happens to be "the hub of the lake region," which is the mecca for Chicago hunters, many of whom buy their licenses locally.

### SCHMIDT'S ORCHESTRA

Schmidt's orchestra, widely known tune purveyors of Kenosha, will play for the Armistice dance to be given by the Antioch Volunteer Firemen at the Antioch Sales & Service Station on the night of Nov. 11. It was announced the first of this week.

## Farm Bureau Supports Tax Amendment

Bankers and Realty Men Also Favor Change.

At the special Farm Bureau Executive Committee meeting held at the Farm Bureau office on Friday evening, October 22nd the tax amendment to the Constitution, which is to be voted upon at the election on November 2, was discussed. The committee adopted the following resolution:

"WHEREAS at the election on November 2nd, there will be a chance to vote on a tax amendment to the State Constitution and whereas we, the Executive Board of the Lake County Farm Bureau in session October 22, considers that the adoption of this amendment will place the tax question upon a more modern and fair basis to all classes.

Therefore be it Resolved that all citizens of Lake County make every effort to go to the polls and cast a ballot for this amendment."

D. H. Minto, President, Gordon Ray, Secretary.

The tax amendment is being supported over the State by the Illinois Agricultural Association, The Illinois Association of Real Estate Boards, The Illinois Bankers Association, The Illinois State Federation, The Illinois Farmers Institute, The Illinois Federation of Women's Clubs, and the Illinois League of Women Voters.

The needed majority of votes cast will be forthcoming according to predictions of proponents of the measure.

A similar amendment will be voted on in the general election in Indiana this fall. According to a statement issued by the allied organizations of Indiana, working for a constitutional amendment in the State, Indiana operates today, like Illinois, under an antique tax law. The statement says, "It is a law that is costing property owners more in taxes than the law of any other state. It is a law under which Indiana farmers are paying approximately 23 per cent of the state's taxes, although receiving only 12 per cent of the state's income. It is a law that assesses a widow who owns a small farm \$120 a year as her share of the cost of state government, but at the same time assesses a professional man who owns no property but who has an annual income of \$14,000 only \$9 a year in taxes. It is a law that forces the small home owner to pay the cost of educating the children of the wealthy holding or of untaxed intangibles who owns no real estate. It is a law that puts a premium on evasion of taxation and that hangs all the cost of municipal progress and improvement on the owner of the small home and the farmer. It is a law that permits big business to shift the bulk of its tax burden to the consumer by adding the tax bill to the price of the article sold as part of the cost of operation. It is a law that is founded on the ancient principle that all wealth is composed of real property, a law that has not kept pace with the nation's advancement."

## Locals Add Warren to List of Victims

Antioch High Swamps Visitors Saturday Afternoon, 26 to 0.

Again Antioch displayed its smashing attack before the home folks and sent the Warren Township high school football squad home on the short end of a 26 to 0 score after a game played on the local field last Saturday afternoon.

The teams played on even terms for the first quarter.

In the second period Shunneson got away with a nice end run that took the ball to the five yard line and from there he took it across on the second play. Simpson carried the ball across for the second touchdown, and Spicer tossed a nice pass to Bernoffo for the extra point and the second half ended with Antioch leading, 13 to 0.

The third quarter was just as hard fought, and the only scoring done was when Simpson blocked another of Warren's punts, which Bernoffo picked up and took across for the local's third touchdown.

The last touchdown of the game was made in the final quarter by Nixon from the ten yard line after an off tackle smash and then cutting back across the field. It was a nice piece of work and he deserved the touchdown. The try for the point was missed and the score ended, Antioch 26, Warren 0.

This was Antioch's fourth victory in five starts. In the five games Antioch has scored 106 points to their opponents' 12, showing that they are strong both on offense and defense.

This week end the locals will travel to Racine, Wis., for a game with the strong St. Catherine's high school team.

The Antioch light weights were held to a tie by the Warren lights in a hard fought game. Both showed good defensive work but neither squad was able to count.

### CROWDED OUT

Much interesting news matter was omitted this week because of lack of space, due to the extra amount of advertising. Much of this came late and no provision could be made for extra pages. This will not occur very frequently, and it should be understood that news items are always welcome at the News office. Phone 43.

### HALLOWEEN PARTY

There will be a Halloween party for the benefit of St. Mary's Catholic church, Bristol, at Happy Lang's hall, Pikeville, on Saturday evening, Oct. 30. Cards and dancing. Music will be furnished by a six piece orchestra from Kenosha. Everybody welcome. (9c.)

The next regular meeting of the Fox Lake Cemetery Association will be held Thursday evening, Nov. 4th, at the Monville School House. This being the yearly meeting, election of officers will be held.

## BILL BOOSTER SAYS:

JUST A WORD OF ADVICE TO OUR YOUNG FOLKS: DON'T SETTLE DOWN FOR LIFE IN THE FIRST SPOT YOU SEE—MAKE AN EFFORT—GET AN EDUCATION—FIT YOURSELF FOR SOME REMUNERATIVE OCCUPATION—AND SOME DAY YOU WILL REAP THE REWARDS OF YOUR FORETHOUGHT AND SELF-DENIAL.

## CELEBRATES 96TH BIRTHDAY

Antioch has a citizen who is nearing the century mark, and probably one of the oldest residents of Lake county. The venerable gentleman is Rockwell D. Emmons, who on last Saturday, Oct. 23, celebrated his ninety-sixth birthday anniversary.

On that occasion a number of relatives and friends gathered at the home of the aged couple, where Mrs. Emmons, notwithstanding her advanced age of eighty-eight years, had prepared birthday dinner and birthday cakes, "like mother used to make."

Mr. Emmons came to Antioch in 1842 and he can well remember the village in its comparative infancy. He has witnessed the wondrous up-building of the village and surrounding region, and has many words of praise and thanks to the present generation for making Antioch a credit to her citizens.

In the late afternoon the guests departed, wishing the aged couple continued good health and many happy returns of the day.

### "BEHIND THE FRONT" AMERICAN LEGION BENEFIT

The American Legion Post No. 748 of Antioch will present "Behind the Front" at the Antioch Theatre on Thursday, November 11. The picture is made up with movie stars as Raymond Hatten, Wallace Berry and Mary Brian, also military experts and disabled veterans to make this comedy a chuckle from the start working into a big laugh and ending in a great "Wow." The admission is reasonable at 35c and 10c. For this reason every man, woman and child should see the picture, also you are helping the Legion Post along by doing your bit.

J. Wilson McGee returned Friday after a two weeks vacation trip to Missouri where he visited relatives and friends at Mexico and other points.

## Car Owners Must Pay Vehicle Tax

Officers Making Final Roundup of Delinquents.

Vehicle tax must be paid. That is the latest edict from Antioch village officers who are making a final roundup this week of all procrastinators who have failed to secure village license plates for the current year.

According to Village Clerk Harry A. Isaacs, the vehicle tax ordinance is well understood here, as it has been in force for the past four years, and the licenses are good for one year, from May to May. "Those who operate more than one car are worst offenders," said Clerk Isaacs. "Some who are using two cars have paid for only one license plate, when it is necessary to buy a license plate for every car operated," explained Mr. Isaacs, who reports that more than a score of Antioch car owners have failed to procure the necessary license.

## LAKE VILLA GIRL BRIDE OF GRAYSLAKE MAN

Miss Arline Sheehan, daughter of Mr. and Mrs. Dan Sheehan, of Lake Villa, became the bride of Frank Slazes, son of Mr. and Mrs. F. Slazes, Grayslake, Wednesday morning at nine o'clock, the ceremony being performed at St. Peter's church, Antioch, Rev. Father Lynch performing the nuptial ceremony, in the presence of the immediate relatives and a few close friends of the contracting parties. The couple were attended by Miss Amelia Slazes, sister of the groom, and Howard Sheehan, brother of the bride.

Immediately after the ceremony the couple left for a week's honeymoon trip to Chicago, Detroit and other eastern points of interest. Upon their return the couple will be at home to their friends at Wedgewood on Loon Lake. The couple have the best wishes of their many friends for a happy wedded life.

## WILMOT LEGION POST IS ACTIVE

Fred Semrau Post No. 361, of Wilmot, elected the following officers at their first meeting in October. Commander, Harold Allen, Trevor; Vice-Commander, Roy Swenson, Camp Lake; Historian, Lou Raymond, Camp Lake; Chaplain, Clarence White, Randall; Sergeant at Arms, Henry Gaudt, Silver Lake.

The new officers are planning a number of activities for the winter months to be given under the auspices of the Post. The first will be a dance at the Tervor hall, November 13th, with Millar's orchestra from Woodstock playing. If satisfactory arrangements can be made to rent the gymnasium they will give movies, once a week, dances and card parties during the season there.

### DANISH CLUB TO GIVE HALLOWEEN DANCE

Preparations for the big Halloween dance to be given by the Danish Benefit society in their new hall on Ida avenue, Antioch, on Saturday evening, Oct. 30, are complete and a large crowd is expected to attend. Prof. Lindstrand's orchestra of Kenosha will play.

A royal good time was had by all who attended the opening dance given in the hall some weeks ago, and the Danish people were voted to be genial entertainers.

### ROYAL NEIGHBORS INITIATE TWO

About seventy-five were present at the last regular meeting of the local Royal Neighbor lodge held on Tuesday evening of this week. Two candidates initiated, and after the regular business of the lodge was disposed of, the remainder of the evening was given over to a Halloween party which all present enjoyed.

### STATE BANK BUILDING SOLD

The old State Bank building, which has been vacant since the removal of the bank to its new home across the street, has been sold to Mr. and Mrs. Thos. Somerville. The place will be remodeled.

## Visitors Inspect Public Service Plant

This picture shows a group of visitors in the Joliet generating station of the Public Service Company of Northern Illinois, prior to their inspection of the huge turbines used in generating 50,000 kilowatts of electrical energy—the capacity of the Joliet equipment.

During the company's recent Open House Week, more than 21,000 persons visited various Public Service properties.

# An Announcement

The Officers, Directors and Stockholders

OF

THE FIRST NATIONAL BANK OF ANTIOCH

take great pleasure in announcing the Formal Opening of their new Bank Building on Saturday, the thirtieth of October, Nineteen Hundred and Twenty-Six, and cordially invite every resident of Antioch and neighboring towns to be present and participate in the Reception from nine o'clock in the morning until nine o'clock in the evening.

We feel confident the Stamp of Approval will be placed by all on our New Bank Home.

Occupying as it does the finest bank site in Antioch, built of fire-proof construction with Bedford stone exterior on both Lake and Main Street frontage, with a Banking Room that is not only beautiful and harmonious in design, but practical and planned to meet the future needs of this Fast Growing Institution.

Our Safety Deposit Vault is of the finest—built by the York Safe & Lock Co., America's foremost Vault manufacturers.

Our Electric Protective System is the last word in Vault Protection, being the "McClintock," "Sound Wave System," and the first of its kind to be installed in Lake County, thus assuring the greatest of protection to users of our Deposit Boxes. Rentals as low as \$3.00 per year.

Antioch can well be proud of its Latest and Finest Bank Building, for we doubt if there is another town of its size that can boast of its equal.

Again we invite you to join with us in celebrating the opening of our New Home.

### Lake Ville News

Mr. and Mrs. Mark entertained friends from Glen Ellyn at dinner last Wednesday.

Mr. and Mrs. Wm. Weber Jr., started last week on an auto trip to Massachusetts and Maine. They will visit relatives and enjoy hunting and fishing.

Mr. and Mrs. Seeger, of Lindenhurst Farm, entertained friends from Beloit, Wis., over the week end.

Miss Laura Carpenter has returned to her home in Chicago, and Mrs. Howard, who has been with Mrs. S. M. Sherwood for the last two winters, is with her again.

Rev. McKelvey, Mrs. H. Nelson, F. R. Sherwood, Mrs. Oscar Douglas and Mrs. Chas. Hamlin attended the session of the Lake Co., S. S. Ass'n., at Highland Park last Thursday.

The Ladies' Aid had a very enjoyable and profitable meeting with Mrs. Nelson at Monaville last Wednesday, and will meet with Mrs. Madsen for a picnic dinner on Wednesday, Nov. 3rd. You are very welcome.

The Royal Neighbor Juveniles had a party at the home of their director, Mrs. Fred Hamlin on Saturday afternoon. Games were played, and refreshments appropriate to the occasion were served, so the young people had a very enjoyable time.

Mr. and Mrs. Henry Peterson entertained several guests Sunday.

Several of the Royal Neighbors of this Camp attended a meeting at Grayslake, Tuesday evening, and a number of the local officers took part there in what is known as friend's night. A very enjoyable evening was spent.

The Young Peoples' Society held a cabinet meeting Monday evening to arrange for meetings, leaders, etc., and a social in the near future.

The Mother's Club is very happy to announce that Miss Mary Polmateer probation officer for Lake county will speak at their meeting at the church Friday afternoon at 2 o'clock. She always has an inspiring message, and we would like to see every lady in our village at this meeting. Election of officers will also be held.

Clare Sherwood's house is well under way, and will be quite an addition to the west side of the village.

Mrs. Emma Martin who went to California a little more than a month ago, intending to spend the winter, returned here last week. She was not well while she was away, and decided that there's no place like home after all.

The children of the four upper grades at school enjoyed a Halloween party at the School House on Friday evening. They were chaperoned by the teachers, and had a splendid time.

The Ladies' Aid is having a contest and the losing side will entertain the winners at a social time in the very near future. Everybody in the town is cordially invited to be a member of this group which is trying so hard to do its part in the carrying on of the work of the church.

Mrs. Spring, of Millburn, visited her sister, Mary Kerr, Sunday.

Mrs. E. C. Thayer went Tuesday to Oak Park for a few days visit with friends. She will also spend some time with her sister, Mrs. Chas. Panter, in Chicago.

A training school for S. S. workers, official board members and church workers generally will be held at Fox Lake every Friday evening for five weeks, beginning Nov. 12, and will comprise ten churches, among them being our own local church, Grayslake and Antioch. A school of this kind was held at these three places last year, and was so beneficial that it seemed best to include other churches in the same group.

Miss Alice Warner spent the week end with the home folks at Waterford, Wis.

Miss Scott had as guest over the week end, her friend, Miss Alice, of West Newport school.

The entertainment given at the church last Saturday evening by the Dorothy Haynes Co., was splendid, but the evening was so rainy that many who had tickets could not come. Those who did come thoroughly enjoyed the entertainment of these two talented girls.

## PROMISES

VS.

## PERFORMANCE

WATCH out for the beautifully engraved stock certificates that high-pressure salesmen are busy peddling this time of the year. They are gilded promises that never materialize. Before you pay over any money or sign your name, come in here and investigate. We will show you the difference between sound securities based on actual property and performance and those which are made of dreams and promises.

There are plenty of reliable securities that are safe and bring a good return on your money. If you have money to invest come in for consultation any time.

John Nixon was a business visitor in Chicago, Monday.

Miss Anna E. Campbell entertained at her cottage on Lake Catherine over the week end, Mr. and Mrs. R. Lander, Miss Margaret Lander, Mr. J. Johnson, Mr. and Mrs. Jas. G. E. Puerkel, all of Oak Park, Mr. C. B. Hannett, of Buffalo, N. Y., and her parents, Mr. and Mrs. D. D. Campbell, of Antioch.

Ball Brand, warm Footwear. Chase Webb.

Rev. and Mrs. E. L. Stanton, of Glenview and Mrs. Stanton's mother, Mrs. Smalley, of Claude, Texas, were calling on Antioch friends Wednesday.

Mr. and Mrs. William Runyard and Mr. and Mrs. Robert Runyard left the first of the week for Chetek, Wis. to visit Mr. and Mrs. Norris Pivtor and other friends. They made the trip by auto.

Leather and sheepskin coats at Webb's.

Dr. H. F. Beebe was in Waukegan on business Tuesday and Wednesday of this week.

Mr. and Mrs. Frank Cook, of Chicago, were Saturday and Sunday visitors at the Nick Baker home. Mr. Baker, who is in poor health, took radium treatments at Waukegan.

Fresh pure buckwheat. Chase Webb.

Miss Mary Stanley went to Waukegan last Wednesday and spent the day and night with her sister, Mrs. A. E. Jack and on Thursday she went to Highland Park to attend Sunday school convention being held at that place. Thursday evening she visited friends at Lake Forest and on her way home Friday she also visited relatives at Millburn.

Lumberjacks for men and boys. Chase Webb.

Mrs. Frank Birnbaum visited her niece, Mrs. James Dunn for a few days last week.

Underwear all sizes. Chase Webb.

Men's and boys gloves and mittens, at Webb's.

Eugene Christopher left Tuesday for his home in Urbana, Ill., after a week's visit here with his daughter, Mrs. A. G. Hughes and family.

Mrs. Erna Nielsen left last Saturday for Tampa, Florida, where she will spend the winter. For the past year Mrs. Nielsen has made her home with her cousins, Mr. and Mrs. J. C. Jepsen and family.

Best line of shoes for the money. Chase Webb.

New line of winter caps. Chase Webb.

Mr. and Mrs. James Egan, of Chicago, were guests of Mr. and Mrs. James Dunn, Sunday.

The Antioch public library will not be open on election day, Tuesday, Nov. 2.

## DISPERSION SALE ON THURSDAY NOVEMBER 4

A dispersion sale of unusual interest will be held on Thursday, Nov. 4th, when Eugene F. Clark will dispose of his fine herd of registered Holstein cattle at his farm 3 1/2 miles northwest of Lake Villa. Mr. Clark's herd, which has developed several A. R. O. cows, carries excellent blood lines of the breed. Wildwood Bessie Bee made a fine yearly record of 907.23 lbs. butter and 24165.20 lbs. milk in the year, and Pietertje Dulce Johanna made twice over 27 lbs. butter and 600 lbs. milk in seven days. A son of Creator, one of the greatest present day sires, was used in this herd. The sale also includes horses, a quantity of feed and machinery. As this is a large sale it will begin promptly at 10 o'clock a. m. A good free lunch will be served at noon. Usual terms will be extended to purchasers. Col. J. E. Mack and Col. Slocum are the auctioneers and J. E. Brook, clerk.

### Good Name for 'Em

A Kansas City man calls his followers "welfare workers" because all they do is come and make expensive visits and teach his own folks how to be discontented.—Kansas City Star.

Sunday School at 9:45 A. M.  
Subject Christian Science "Everlasting Punishment."  
Wednesday evening Testimony meeting at 8 o'clock. A reading room maintained at this address is open Wednesday evening from 7:30 to 8 o'clock.

### Methodist Church Notes

A great multitude of people ran to the edge of town to see a man who was once insane but was healed. But they were afraid. Strange isn't it? Afraid of a sane man. Come out Sunday morning and hear more of the story. Rev. A. M. Krahl will tell it Sunday morning during the morning service which is at 10:45. There will be a program of songs which will bring comfort and fill your heart with enough joy to last all week.

The evening service is planned for your special need. Good music, plenty of good singing.

There will be a sermon too, the theme is "He that hath ears let him hear."

### GRIFFITH PLAYS PART OF CORONER IN NEW COMEDY

In "You'd Be Surprised," Raymond Griffith plays the role of a coroner but—what a coroner!

You see, it's his business to establish the identity of a person who killed the district attorney. And—when Ray starts discovering who did all the shooting at a houseboat party, there are a hundred thrills and a thousand laughs.

Griffith calls "You'd Be Surprised," which plays at The Antioch Theatre on Sunday, Oct. 31, a mystery-com-

edy, and because of the first element, asks that audiences refrain from divulging the story's ending to their friends. Dorothy Sebastian and Earle Williams are featured.

### NO HUNTING

Notice is hereby given that positively not hunting or trespassing will be allowed on my premises.

## Editorial

Recently the faculty in one of their meetings, established a new ruling, in which each student must carry at least four solid subjects, in order to represent the school in any competition.

This new ruling may hit some rather hard at first for heretofore they have been accustomed to carry only three solids to participate in any competition. In the course of a few weeks students will be working harder to carry that extra subject. Since there is a great deal of competition with neighboring schools this year, each student will work more earnestly.

Will not this new ruling raise the standards of our school? When the school is represented by a team in the future, it will consist of more intelligent persons, and it will be a prouder school when represented by a better class of students.

## News

Friday afternoon the students were entertained for an hour by Mr. Howell, a glassblower. By heating the glass and then blowing it he could make nearly anything without the aid of any tools. It was very interesting.

Della Rentner, a senior, was taken to the Lutheran Memorial hospital, Chicago, Wednesday morning. She is back with us again today.

The seniors held a meeting and elected officers. Glenna Roberts is president, Louis Forbrich, vice-president and Emil Hallwas, secretary and treasurer.

Everyone in school spends his or her time shivering. For some reason Miss Smith's room is usually the warmest, maybe it's the nature of the classes she teaches. The typing and sewing rooms are the coldest.

## The Chorus

The chorus practiced old songs on Tuesday and Thursday of last week for its meeting, Friday after school.

The new music which has been ordered for The Chorus has arrived. We will begin our study of these new pieces.

Old Road—Scott.  
Mighty Lak' a Rose—Nevin.  
Old Refrain—Kriester.  
Trees—Rosback.  
Invictus—Hubb.

A cowboy who rented half a bed in a crowded hotel wanted to get as much as he could for his money. He went to bed with his spurs on. His sleeping partner bore it as long as he could and then yelled, "Say, stranger, if you're a gentleman, you ought to cut your toenails."

New Freshman—"Is this a funny school. Your principal is blind."

Old Freshman—"What do you mean, our principal is blind?"

N. F.—"Why I was talking to him in the office and twice he asked me where my cap was and it was on my head all the time."

D. Cremen (to Wertz): "I'm afraid George Wagner is gonna die. He's so thin he's thinner than us put together."

## Campus News

Emmett Webb was an Antioch visitor over the week end.

The Gurnee rooters sure yelled Saturday. At the end of the game he was hoarse.

Adella Rentner has returned to school after a three days illness.

## The Pep Board

The Pep Board was reorganized last week and the Seniors had charge of the Pep meeting preceding the Gurnee game. The goal posts at the ball park were decorated with Antioch's colors, crimson

and Gray and Gurnee's colors purple and gold.

## Squash The Potato Prices

When potatoes are scarce as they are this year we all naturally look for a cheaper substitute that is just as good. This substitute is the squash, and it will keep where the potato will not as it will keep in a warm place; and it has practically the same food value as the potato.

The squash is as good tasting as the sweet potato. When putting squash away for the winter they can be stored in the furnace room or in some other warm room, and they will keep for a long time.

## Agricultural News

The Ag. Club at present are busy preparing for their annual show, featuring Richard Dix in "The Quarterback" playing at the Antioch Theatre, November 15th and 16th.

Buy your tickets early and be sure to see this wonderful picture. Our meeting this week was a great success and a very interesting program was furnished by the boys; Elmer Barthell on the subject of electric lights for poultry houses, Lloyd Atwell on the subject of Poultry. Mr. Kutt gave a very interesting lecture on transplanting house plants.

The Ag. freshmen played the grade school boys in baseball and the Ag. boys were victorious by only one point.

The rat and mouse contest carried on by the Ag. boys is progressing rather rapidly and also doing the community a great favor by getting rid of pests such as rats, mice, sparrows, crows and a few other destructive pests. The contest shall be carried on a while longer than a Halloween party will be given to top off the event. When the new building of our high school is finished the agriculture classes will practically have the old addition including the boiler room, for their work shops and class rooms, thus giving them a better opportunity to carry on their extensive work.

Watch for our show, Richard Dix, in "The Quarterback," at the Antioch Theatre, November 15th and 16th.

## Glee Club

The Glee Club pins have arrived and Tuesday the girls will make the selection.

We have ordered some new music. Morning—Grieg.  
Elegy—Massenet.  
Little French Clock—Simonsen.  
Humoresque—Drorak.  
Swanee River—Wilson.

The girls are working with quite a little spirit, and they are developing their ability and reading power.

**PUBLIC AUCTION**

Wm. Weil place on the Wadsworth road 1-2 mile west of Green Bay road, on

MONDAY, NOV. 1.

Commencing 12:30 o'clock 17 head of live stock; cows and horses, also chickens, ducks and geese.

A full line of farm implements.

A. W. WEIL, Prop.

Fred Grabble, Auctioneer  
Earl Washburn, Clerk

Their rendition of the "Swan," as giving a sense of direction as "Boats of Mine," and "Serenade" are quite lovely.

## The Orchestra

Orchestra was held Thursday noon, but not much progress was made, due to the absence of the pianist because of illness.

She has returned and will resume her duties again on Tuesday.

Mr. Stark is having little trouble selecting music for the orchestra but thinks he will have some very fine selections ready for performances in the near future.

## Boys Glee Club

The five new songs which have been ordered for the Boys' Glee Club have arrived. They are as follows: "On the Road to Mandalay" by Speaks; "Rolling Down the Rio" German; "I Doubt It," Parks; "One, Two, Three, Four," Alan.

The Glee Club will practice every Wednesday night.

## St. Ignatius Church Notes

22nd, Sunday after Trinity.  
9:30 church school.

10:30 Mass and Sermon. Memorial of the dead.

## IRVING CHANGES

The date of the auction sale of John Irving has been changed from Saturday, Oct. 30th, to Friday, Oct. 29th, the change being necessary because another large auction sale has been announced for Oct. 30.

Mr. Irving has been compelled to quit farming on account of ill health. His sale will be held on what is known as the old Fraser farm, located five miles east of Antioch. Cattle, horses, feed and machinery will be offered in the sale. L. J. Stocum is auctioneer.

**Pledge to the Public on Used Car Sales**

**1 All used cars offered to the public shall be honestly represented.**

If a car is suitable only for a mechanic who can rebuild it, or for someone who expects only a few months' rough usage on a camping trip, it must be sold on that basis. Each car must be sold for just what it is.

**2 All Studebaker automobiles which are sold as CERTIFIED CARS have been properly reconditioned, and carry a 30-day guarantee for replacement of defective parts and free service on adjustments.**

This is possible because tremendous reserve mileage has been built into every Studebaker, which it is impossible to exhaust in years.

**3 Every used car is conspicuously marked with its price in plain figures, and that price, just as the price of our new cars, is rigidly maintained.**

The public can deal in confidence and safety only with the dealer whose policy is "one price only—the same price to all." For, to sell cars on this basis, every one of them must be honestly priced to begin with.

**4 Every purchaser of a used car may drive it for five days, and then, if not satisfied for any reason, turn it back and apply the money paid as a credit on the purchase of any other car in stock—new or used.**

It is assumed, of course, that the car has not been smashed up by collision or other accident in the meantime.

## CLUB NOTICE

The Tenth District, I. F. W. C. will meet with the Woman's Library Club, of Glencoe, on Thursday, November 4th, Mrs. William F. Farrell, President, presiding.

The morning session which convenes at ten o'clock will be opened with greetings by Mrs. Andrew MacLish, President of the Woman's Library Club of Glencoe, and the response by Mrs. William F. Farrell, President of the District.

This being "District Day," the De-

partment Chairmen of the District will present their work in a twenty-five word talk.

Mrs. Rufus C. Dawes, Chairman of "International Relations" of the General Federation, will be the speaker of the morning.

Luncheon will be served by the hostess club and the afternoon session will be opened by an organ recital by Mrs. Dwight Orcutt.

The address in the afternoon will be given by Mr. Horace J. Bridges, his subject being, "The Art of Renouncing One's Youth."

# EVERY home can now be made Winter-warm... Summer-cool...

An amazing lumber (not cut from trees) has made insulation practical for new and old houses alike. It costs little or nothing extra to use and year after year will save from 25% to 35% of your fuel money

HERE is a lumber that actually keeps your house warmer in Winter... cooler in Summer. A lumber that gives you all year 'round comfort and economy such as you have never known before.

This amazing lumber is Celotex. It is not cut from trees, but manufactured in broad strong boards from the tough fibres of cane. It is enduring... scientifically sterilized and waterproofed. Celotex is stronger in walls than wood lumber and many times better as insulation. Wind and moisture cannot penetrate it. It quiets noise.

ACTUALLY saves money. Unlike ordinary insulation, Celotex is not an extra item in building. Wherever

used, it replaces other materials, adding insulation at little or no extra cost.

With the walls and ceilings or roof of your house covered with Celotex, a smaller, less expensive heating plant and smaller radiators will keep you comfortable. And year after

year, Celotex will save from 25% to 35% of your fuel money!

NEW COMFORT for old houses. In houses already built, a big measure of this comfort and economy is being secured by lining attics and basements with Celotex.

Let us tell you more about Celotex before you build or buy.

**CELOTEX**  
INSULATING LUMBER

How Celotex is used in both old and new houses

**AS SHEATHING**  
Celotex supplies the insulation needed back of brick, wood or stucco exteriors.

**UNDER PLASTER**  
On inside walls and ceilings, plaster is applied directly to the surface of Celotex.

**ROOFS... ATTICS**  
Celotex is most needed in attics and roofs. It prevents hot rooms and wasted heat.

## Do Your Eyes Tire Too Easily?

ON MANY evenings have your eyes said all too soon that you must stop reading, playing cards, or playing the piano? In many instances fatigue of the eyes is due to strain from incorrect lighting, and not to the eyes themselves at all. Look over the fixtures in your living room. Are you sure they are giving your eyes a square deal?

The fixtures we are displaying at this time are correctly designed to assist your eyes and insure greater comfort. Best of all, this abundant and useful light is inexpensive—a new and highly efficient lamp bulb is used in an efficient way. Investigate!

Our Special Offer: For 30 days (November 1st to December 1st), we are making a special offer on modern and beautiful fixtures for every room in the home. The living room fixture shown above is only one of many. Easy "Little by Little" payments—liberal allowance on old fixtures—a more useful and attractive home—satisfaction guaranteed.

When may we send a representative to explain how we can fill your requirements? No obligation.
